

# Hello Kindergarten and First Grade Friends!

Need some new books to read? You can now check out Book Bundles from the Fruchthendler library through **curbside, contactless** book circulation! Book Bundles are collections are 4-5 fun books to read and enjoy at home.

Here's how it works:

1. Book pick-up/return will most often be Wednesday from 1:45 – 4:00, but the day will change to adjust for holidays. The first few book exchange days will be:

November 18

December 9

December 16

2. Request a Book Bundle by emailing Mrs. Blakely at [heather.blakely@tusd1.org](mailto:heather.blakely@tusd1.org). One sentence will do it: “Hi Mrs. Blakely, STUDENT NAME in TEACHER NAME’s class will pick up a Book Bundle on PICKUP DATE.” Submit your request by Monday at 5:00.

3. On book exchange day, place books you are returning in the trunk of your car. Pull up to the crosswalk on Lodge Road and **please remain in your vehicle!** Pop open the trunk and books will be taken out/placed inside.

5. The checkout period will be 1 week (unless checkout days are more than 1 week apart; the only way to return books is curbside).

6. NOTE: You must have a “clear” library account in order to check out new books. I emailed everyone who has an overdue book before Fall Break, so if you did not hear from me, you are in the clear!

Health and safety: Per American Library Association guidance, any books that leave the library will be quarantined for at least 6 days when they are returned, spread apart and outdoors unless it’s raining. I will wear gloves and a mask when handling books that are being checked out. Please, please do NOT wipe books down with wet wipes or spray the books with anything – this will damage the books.

Heather Blakely

Library Assistant
