April 18, 2008

Dear Fruchthendler Parents:

Several weeks ago, A+ judges visited our school and spent time observing the excellent teaching and learning that takes place every day in every classroom. They met with our students, faculty, and staff and heard wonderful stories about what makes our school special. Parents and community members shared how we work together in partnership to support our mission of building a caring community of citizens for the 21st Century by broadening academic, social, and community horizons.

We are thrilled to announce that Fruchthendler received a telephone call today from the Arizona Educational Foundation. We have been awarded the prestigious A+ recognition!

We want to thank everyone for supporting this exciting process over the course of this school year. We will keep you informed as more A+ information becomes available.

Sincerely,

John Heidel, Principal
